### **MEMBERS ONLY WINE RECEPTION**

Here we have President Brad LaRose giving a heartfelt welcome to some of our members aboard our 1926 Pullman Car, which is now located adjacent to the Museum platform and is available for meetings, mixers, etc. This photo was taken at the Wine Reception for Members Only on Saturday, June 28th.

We were extremely pleased to have a chance to say "Thank You" to those members who have been involved with the Museum, and especially the people who helped make the move of the La Condesa a reality. You are all the community of friends who make what we do possible.

In addition to the Members Only Mixer, over the last month we have had a work

day and two open days, when the public is welcome to enjoy the Museum. Our kids' area remains one of the most popular areas in the Museum, as does the Model Railroad area. Although much work remains to be done on the Model, it is still an unending source of fascination to adults and children alike. If you haven't visited the Museum lately, please feel free to come in and see the progress on both model layouts. We are lucky to have some incredible modelers working on them, and although we are not close to completion yet, the Model Area is a great place to spend some time, watching the modelers work and the trains run. Below you can see two of the exquisite pieces produced by our modelers, in addition to Dave and Judy Rohr ready to take your order on the La Condesa, and Dad and Son contemplating an old-fashioned railroad handcar in the Museum.
