

# FROM THE FREIGHTHOUSE

# HOBO CODES

**SATURDAY, May 13, 1:00 PM**

Join us at the museum this Saturday as Charlie Wray from the Historic Graffiti Society does an online presentation of the history of the Hobo and the marks they left behind. This presentation is included with admission to the museum.

# N Scale Items For Sale

For the first time in our museum history, a substantial offering of N Scale cars, locomotives, track, and accessories. Most new in original box.

# Date Nail Exhibit

The SLORRM has initiated the development of a Date Nail exhibit. We need your assistance in acquiring specific nails that are missing in our collection. These nails were hammered into wood railroad track ties to determine how long the wood would last in the outside elements with heavy train usage. Please check your collections of date nails to donate any nails matching those we need.

The following nails are needed (the 20th century year of the nail is

stamped or raised on the nail head): 13, 64, 70, 71, 72, 73, 74, 75, 76,  
78, 79, 81, 82, 84, 85, 86.

Contact me if you can help the museum.
